INC., for Tariff Change within Less))
Than 60-Day Period)

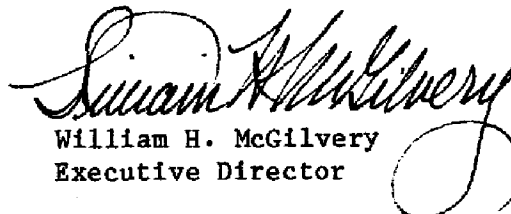

Case No. AP-91-16

By application filed April 4, 1991, as amended April 11, 1991, Eyre Bus Service, Inc. (Eyre), seeks to amend its General Tariff No. GT-1. General Tariff No. GT-1 has been in effect less than 60 days and, therefore, an order of the Commission is required to amend the tariff at this time. See Compact, Title II, Article XI, Section 14.

General Tariff No. GT-2 would revise Eyre's hourly rate to equal 25 percent of its four-hour minimum and would delete a fuel surcharge. Good cause having been shown, Eyre's motion will be granted, and General Tariff No. GT-2 as discussed herein will become effective May 1, 1991.

IT IS SO ORDERED.
